

# Appendix B

rev. 2.22.11

## Approved Ontario County Ignition Interlock Providers

(To be provided to the defendant, by the court, at sentencing)

Sentenced to Conditional Discharge – Class I or II

Sentenced to Probation – Class III provider, as approved by the Probation Dept.

Cond. Discharge with a fee waiver - the Probation Dept. will assign you a provider.

You may choose any company in your class. Each company uses a local installer but **the account must be set up by calling the company first**. They will direct you to a local installer. You may want to contact more than one company so that you can compare prices and locations. When getting pricing, be sure to ask about ALL related costs, including, but not limited, to installation, recalibration and de-installation.
